

The image shows the front cover of a book. The cover is decorated with a marbled paper pattern in shades of green and tan. A large, dark, V-shaped element is positioned in the upper center. A decorative border consisting of a row of small, repeating rectangular motifs runs horizontally across the middle. Below this border, the title "WILDCAT '62" is printed in a bold, black, serif font. At the bottom of the cover, there is a section with vertical green lines on the left and more marbled paper on the right.

Published By Senior Class
Arnett High School
Arnett, Oklahoma

Dedication

It is with a great deal of pleasure that the Senior Class of 1962 dedicates the yearbook, **WILDCAT**, to the people of the Arnett community and school district.

The school is only as good as the patrons who support it. The success of the Arnett School has been furthered through the years by the interest, and financial support of the school patrons. May you continue this necessary support, and keep the school the fine institution of learning and character training it has been in the past.

Message

Superintendent's

Dear Students:

Thanks to a tireless annual staff, you have an annual for which you can be justly proud. We are all thankful that we live in a community which has always supported our school in every possible way. This annual, with its picture advertising, will grow in value as the years fade away and will recall many pleasant memories.

As you journey through school here adding to your knowledge, cultivating your talent, and building your character; may you graduate with a complete knowledge of your American heritage and always cherish the ideas of Democracy.

Sincerely,

G. K. Chaffin

As board of education members, chosen by the citizens of the Arnett School District, we have endeavored to provide the best possible scholastic opportunities for the students of this community.

In maintaining a diversified curriculum, a well-rounded extra-curricular program, adequate building facilities, and capable administrators and teachers, we feel that we are carrying out the wishes of the patrons of the district.

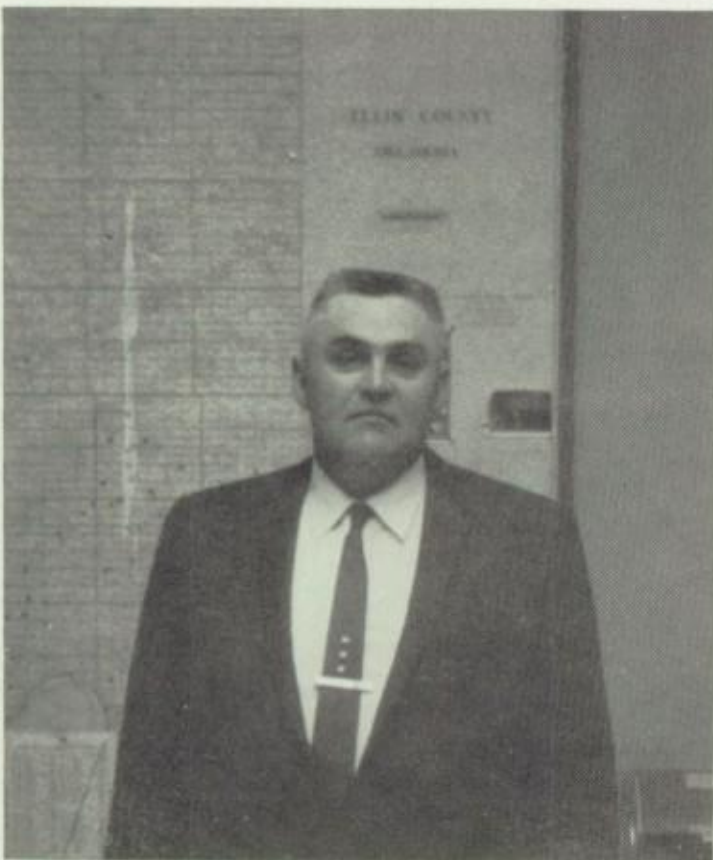

The continued success of the school systems is assured through the cooperation of the parents, school personnel, and the students. Through this combined effort, we feel confident that the students will meet the future well prepared.

Your board of education considers it a pleasure and an honor in being active participants toward the building of citizens for tomorrow.

Sincerely,
Virgil Roper

Message

Principal's

1962 Seniors and Annual Staff

Congratulations to you on your 'School-Community' Annual. I think you have made a very progressive change in 'yearbook' construction such that in years to come, you may recall--in picture, not only the Arnett School, but the home community as well.

Cherish this book as you would any accomplishment well done, knowing that good works do not just happen, but are the result of patience, diligence, and determination.

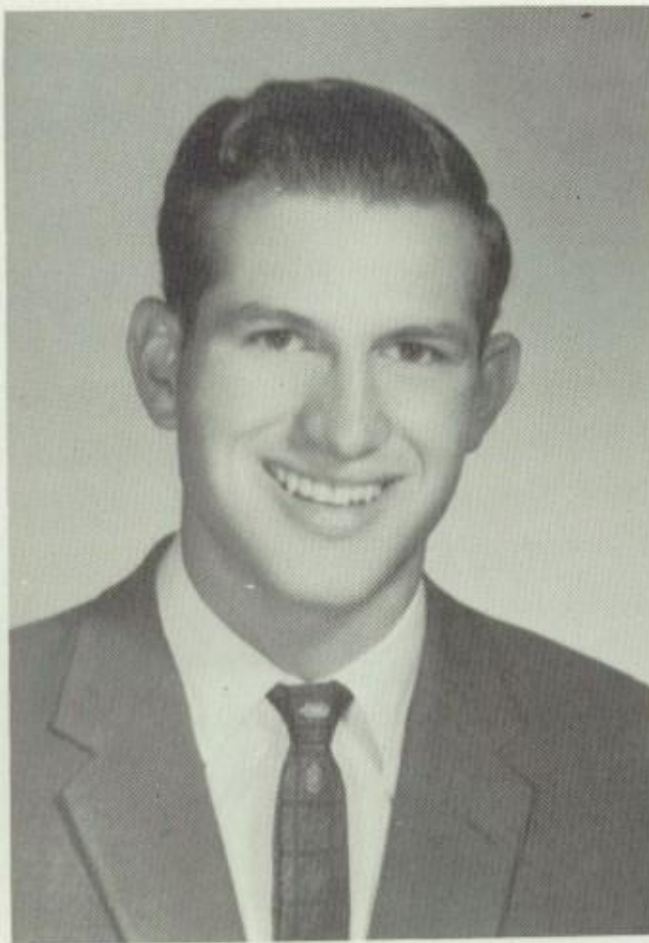

Sincerely,

A. H. Woods

"Applied Psychology," when used at the right time and place, is a definite aid in a learning situation.

Seriously, in the words of Alexander Pope:
"Tis education forms the common mind,
Just as the twig is bent the tree's inclined."

Education is not just a process of learning from books, but an understanding of respect for authority, teamwork, sportsmanship, and an opportunity to better prepare oneself to take an active part in the workings of a democratic country. Habits of citizenship, formed during the school years, will influence and guide the man or woman all through life.
